

# GENERAL MANAGER – WESTERN AUSTRALIA

- **West Perth based office**
- **Established Mining Consultancy**
- **15+ years' experience**

Mining One Consultants are seeking a General Manager for their Perth office.

Reporting directly to the Managing Director in Melbourne the successful applicant will manage and mentor a team of geotechnical and mining engineers.

The successful candidate will be a Principal Mining or Principal Geotechnical engineer with sound computer skills and have 15+ years' of experience in the mining industry.

Typical duties and responsibilities will include but not be limited to:

Overseeing the financial performance and growth of the Perth Mining One group;

- Overall business development and continued growth of Mining One
- Seeking new business opportunities and looking at other areas in which to expand
- Marketing and promotion of the Mining One services
- Working closely with Mining One's senior business leaders to ensure the continued success of the group

Overseeing the human resource aspect of the Perth Mining One group;

- Provide a high level of leadership and management to all Perth staff
- Maintain an organisational focus on strategic goals
- Liaise with staff at all levels
- Implementation of business and operational planning as necessary

Overseeing the technical performance of the Perth Mining One group;

- Ensuring the technical work is to the highest quality and liaising on technical advice within the Mining One group when needed
- Mentoring of Perth staff
- Recruiting and helping to provide a suitable career path for your staff
- Develop and maintain client relationships at all levels

To be successful in this role you must have a Degree in engineering (mining) and/or geological sciences preferred; other qualifications may be acceptable subject to the particular discipline of the group. Post graduate qualification preferred.

Other essential qualities include exceptional communication and people skill and supportive, team focused outlook.

Mining One aims to provide an interactive and social work environment and promote a work life balance.
