

## **Mining One continues to grow internationally with offices in North America, the UK and Africa**

Mining One continue to strengthen their presence internationally with offices in Vancouver and Toronto. North America Manager, [Julian Watson](#), leads a team with a strong geotechnical focus to provide expertise and experience to our clients in Canada and North America.

[Tom Styles](#) leads our UK team of skilled engineers offering services covering the UK, Africa and European regions.

Mining One are pleased to announce the opening of our Ghana office in mid-2021, headed up by [Louis Gyawu](#). This is a great addition to our teams already in South Africa and the Democratic Republic of Congo.

These offices will help with Mining One's demand for our consultancy assignments in North America, Europe and Africa.
